## Ingredients

1 package Chocolate Wafer Cookies (white choc wafer cookies as well or in place of)

1.5 cups Heavy whipping cream

2TBS Confectioners' sugar

2 TSP Vanilla extract

1/4 cup Grated White chocolate

## Instructions

1 Beat cream in a chilled glass/metal bowl with electric mixer.

Gradually add confectioners' sugar & vanilla extract, continuing to beat until stiff peaks form

Spread 1 TSP of whipped cream onto each cookie

Press cookies together to make 3-inch stacks

Spread whipped cream in a 1-inch-wide line down the center of serving platter. Turn cookie stacks sideways & join into a log.

Frost cookie log, fill gaps with remaining whipped cream & sprinkle with grated chocolate. Cover tightly & refrigerate, 8 hours to overnight. Slice diagonally to create striped pieces
